Dear Gary,

Thanks for your letter of the 31st. I didn't know that, in addition to your other problems, the draft board was after you. Is this the special medical draft? Good luck - I'm glad to be over 26.

I think the COUP I which I sent is substantially revised from the version you have. You may as well hang on to that copy anyhow, unless Harold wants an extra. I will send you PM I but not III, probably later this week. Since you are busy I will skip the special handling. Not that it matters except for your accounts, but the check for $10 which you mentioned in your letter was not enclosed.

I don't know what the details of this business with Nichols are. Should I? You know how little I enjoy this sort of thing.

I am sending you copies of all my letters to Harold, but only the more interesting of the enclosures. Let me know whenever you want to see more of them.

Sincerely,
Paul
